MESSAGE FROM THE PRINCIPAL

It is mind boggling to think that when we return to school on Monday we will be in the month of December. The staging arrives for our Christmas Concert over the weekend and next week will see the start of some "on stage" practices. Our theme this year is music and we are excited to experience the variety of presentations from each of our classrooms. From the sound of beautiful voices to the beat of boom whackers it is going to be a night to remember.

Thank you to the Sinkut View LEADS group for another successful bake sale today and to parents for providing creative and delicious baked goods. The LEADS group is also organizing a float to participate in the Parade of Lights on Saturday December 7th. More information we be sent home with LEADS members after their meeting on Monday.

Classroom teachers are starting their work on report cards that will be going home on December 12th. Remember that a report is a snapshot in time and learning is an ongoing journey for us all. As Friday is the month end and a Pro D, the November SOAR Assembly will be held on Monday December 2nd at 2:00 pm. Please join us if you can and have a great weekend!

~ Ms. Soffel

CHILD CARE IN B.C. - PUBLIC SURVEY

Childcare BC invites parents to complete an anonymous survey about child care programs and services offered throughout the province. As part of our on-going efforts to ensure Childcare BC is meeting the needs of families, you will be asked about your familiarity and experience with existing Childcare BC programs, how you find out about and secure child care, and your opinions on issues that may inform future programs and services. This survey asks about early learning and child care arrangements. Early learning and child care arrangements is defined as any formal care for children up to the age of 12 years old by someone other than the parent or guardian. This could include care in child care facilities, in-home care by a relative or non-relative as well as out of school child care, but does not include occasional babysitting for recreational or social events or kindergarten.

You can find the survey on the SD No. 91 website www.sd91.bc.ca on the main page under Latest News. This confidential survey should not take more than 15 minutes to complete and will be open until January 17, 2020 (4pm).
