We are grateful to live, work, and play on the unceded, ancestral territories of fourteen First Nations representing the Dakelh, Nedut'en and Wet'suwet'en peoples.

MESSAGE FROM THE PRINCIPAL

Hadih Sinkut View family,

I hope you had a fun filled Halloween weekend and that you found your child's Jack O'Lantern at the Pumpkin Walk on Saturday. November is here and so is the November weather. Thank you for bundling up your kiddo(s) and providing them with boots that are warm and waterproof. It is chilly out there and sometimes quite damp. We have a full week ahead, then two "four school day weeks" coming up.

Tomorrow Thursday, the Gr. 4s and 5s are going to Northside for Play Day. The grade 6s are going to NVSS and WL to play Volleyball. Please pack bags accordingly and be ready to have some fun with other students from our district!

I know many of you are busy with extra curricular sports and activities. That is great! Physical activities and skill development are such helpful pieces in overall academic achievement. Having a strong sense of belonging in various teams and groups help confidence and courage in all areas of life. I also hope the shorter days provide your family with some down time and opportunity to read, play board games and hang out together. Reading, playing, counting and talking are such helpful practices in literacy and numeracy development. If you are ever looking for ideas how to support your child's learning, let us know.

The Dakelh word this first week of "Benghan Nus'uke" (meaning "we travel by boat half of the time" which is Dakelh for November) is T'i (canoe).

I wish you all well and encourage you add the events in our "Important dates" column to your calendars.

Please review the letter from the PAC included in this week's newsletter. You can read the full newsletter on our website, our Facebook page or via email. If you would like to join our Facebook page or sign-up to receive the newsletter via email, please let Mrs. Swanson know.

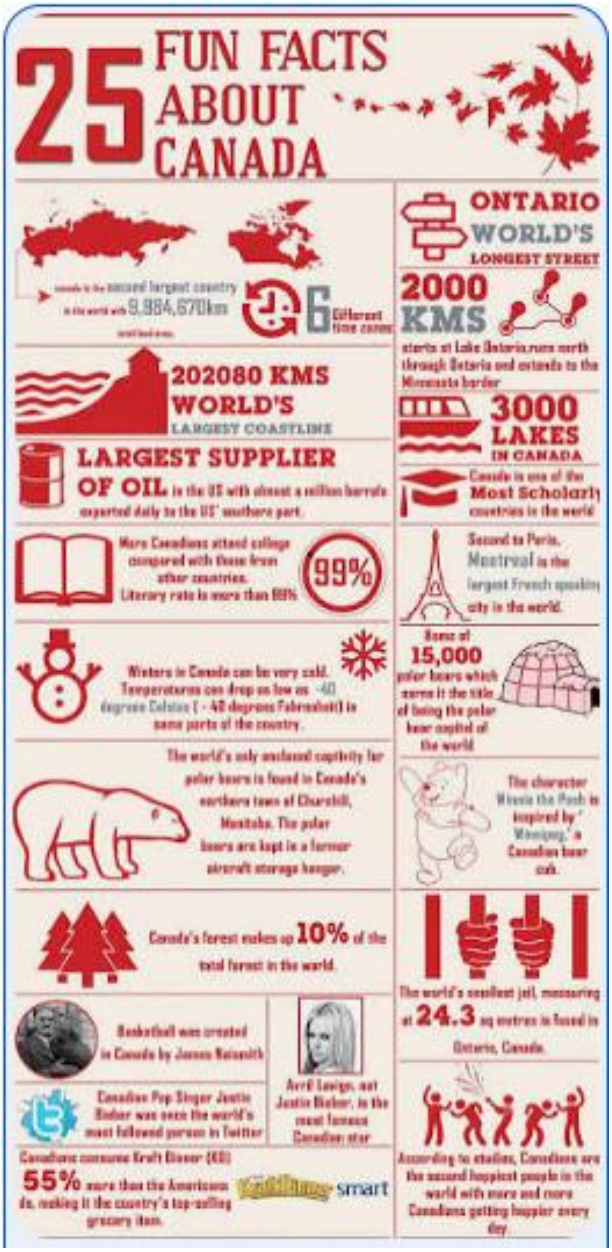

Much gratitude and appreciation for all that you do.

Take care,
Mia Moutray
Principal

A message from the PAC

Thank you all so much for participating in our fundraisers!

Our Scholastic Book Fair raised approximately $900 for our school!

Each teacher will be able to choose items from the Scholastic catalogue for their own classroom. This could include anything from fidget tools and furniture to other learning resources and equipment. Any additional funds not used by teachers will go toward supporting our school library.

By participating, you've done more than help your own child enjoy reading. You've helped support classrooms, teachers, and our school community for this year and beyond!

Our Big Box of Cards fundraiser brought in a great amount as well! In fact, this fundraiser alone nearly covers our yearly bussing fees. *Bussing fees?* Yep! These are the costs we pay for extra-curricular trips, such as theatre performances, farm visits, manor trips, and more.

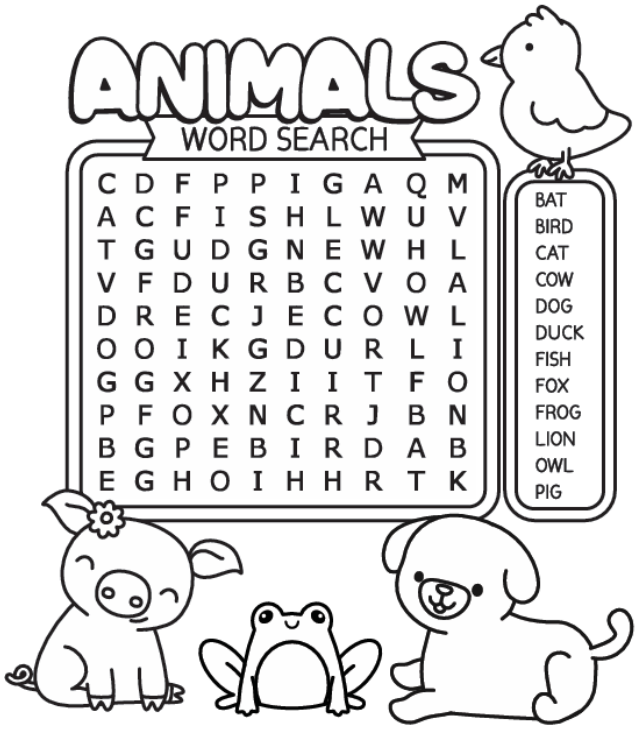

And there's even more good news! The Big Box of Cards company has covered the cost of pizza because we exceeded our goal of 75 orders! Well done, everyone!

We have just one last fundraiser for the year! The Dielman's Catalog. We're hoping it will raise enough to cover the remaining costs of our yearly bussing, and hopefully even help cover ski school as well.

This fundraiser also includes individual incentives, which might help motivate those who enjoy a little extra encouragement!

We truly appreciate everything you do to support our school and our students. Every order, every purchase, and every bit of participation helps provide opportunities for our kids.

And don't worry… we promise there will be a break from all this fundraising! Thank you again for being such a supportive school community!
