We are grateful to live, work, and play on the unceded, ancestral territories of fourteen First Nations representing the Dakelh, Nedut'en and Wet'suwet'en peoples.

MESSAGE FROM THE PRINCIPAL

Hadee Sinkut View Family,

Looks like the cold weather will be hanging around longer than predicted. Please, please, please ensure that students arrive with appropriate cold weather attire! We will try to get outside as much as possible; lots of factors contribute to when we call an inside day, but minus 25 is the typical number (wind and sun are big factors).

With the cold weather, Ski S'kool for grade 3s will be postponed another week; forecast looks good for next week and there is lots of snow on the trails!

Science Fair season is in full swing; our intermediate classes are exploring all sorts of great ideas. The Sinkut View Science Fair is set for February 13th; families will be able to come and see the projects between 11:00 and 12:00.

Our first downhill skiing trip is coming up on February 8th, watch for the information package coming home this Friday. Please have the forms back to the school by February 1st.

Have a great rest of the week!

~ Mr. Jason Kadonaga
