Sinkut View Elementary

Phone: (250) 567-5133

We are grateful to live, work, and play on the unceded, ancestral territories of fourteen First Nations representing the Dakelh, Nedut'en and Wet'suwet'en peoples.

MESSAGE FROM THE PRINCIPAL

Hadih Sinkut View community,

The countdown is on! Three more weeks.

This past week, the grade 6 year end event has come together quickly thanks to all the great parents we have offering various skillsets and resources. The gr 4-6s went to Track & Field last Thursday and rocked it. Sinkut View got the second most points of all the schools that participated thanks to students' stamina, strength and positive mindset. Way to go! I am so proud of all of you. A shout out to Mr. Floris who prepared us for this big day.

UBC was here on Monday, working with the grade 3-6s in a STEM learning activity. On Friday, we are all off to the Sturgeon release. As I keep saying, keep a close eye on our busy calendar as there is a lot happening.

Despite the busy-ness at the school, we are still learning and expecting students to engage in the learning process in the best way possible. Self-regulation strategies are practiced all the time to make sure we all apply an optimal mindset for learning and being in community.

I wish you all a wonderful week. Take good care of yourselves and I look forward to seeing you on June 23rd for our Year End Assembly and/or the PAC luncheon on June 24th.

Thank you for all you do. Take care,
Mia Moutray
Principal

Visitors/Parents/Caregivers Code of Conduct

Working together, we create a safe and supportive learning environment for students and a safe work environment for staff. Parents, caregivers and any other visitors to our schools support a safe environment by communicating and conducting themselves at the school and school activities respectfully.

 <p>Communication</p>	<ul style="list-style-type: none"> Use our process for addressing concerns – talk to the teacher first then, if follow up is required, contact school administration. Use respectful language whether in person, on the telephone, or through email. Respect staff time by accepting that they will respond to appropriate communication within 2-3 days outside of holidays, evenings and weekends. Clarify your child's version of events with school staff to fully understand and have perspective. Seek a peaceful and reasonable solution to all issues. Social media should not be used to voice complaints against the school, a staff member, parent/caregiver, or student. This is not a productive way to resolve an issue.
 <p>Partnership</p>	<ul style="list-style-type: none"> Try to ensure your child attends school and reaches out for support if needed. Work together with staff to resolve issues or concerns. Read and discuss the Student Code of Conduct with your child to help them understand and follow it.
 <p>Conduct</p>	<ul style="list-style-type: none"> When coming to school please be calm and do not swear, use inappropriate language, be threatening in your behaviour, and/or be verbally abusive.
 <p>School Culture</p>	<ul style="list-style-type: none"> Recognise that EVERY student is important to us. Treat all members of our school community with dignity regardless of "Indigenous identity, race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age" as protected by the BC Human Rights Code.
