We are grateful to live, work, and play on the unceded, ancestral territories of fourteen First Nations representing the Dakelh, Nedut'en and Wet'suwet'en peoples.

MESSAGE FROM THE PRINCIPAL

Hadih, Sinkut View families!

Welcome May! How on Earth are we here already???

First of all, I want to share the fantastic news. Miss Ami will stay with us until the end of June! THANK YOU, Ami, for accepting the role and for being dedicated to us! We are very happy and grateful. I want you all to know how hard our staff is working to support our students, every single day. We have a busy time to look forward to with many different learning opportunities. We will work on being as clear as we possibly can so that you can plan and be prepared accordingly.

Thank you all families for your ongoing support with learners as they navigate their learning journey here at Sinkut View. Please let me know if you ever have questions about expectations of learners and/or how to bring concerns forward. Always reach out to the teacher first and if things do not get resolved, I am the person to talk to next. Our Code of Conduct is on our website for easy reference. All students are important to us and, as always, all members of our school community should be treated with dignity and respect.

I hope you are enjoying the outdoors as much as possible on your spare time. Being outside sure feels like medicine (unless you have allergies, I recognize that ☹️).

All the best to each one of you and know we are here working hard for the best possible outcome for each learner.

Much gratitude,
Mia Moutray
Principal

Hello School District 91 families,

The Nechako Valley Swim Club, the Nechako Otters, is excited to announce that our 2026 Summer Session registration is now open.

The start of the BC Summer Swimming Association (BCSSA) season. The competitive season runs from **May 1 to August 12, 2026** with Provincials taking place August 13-16, 2026.

The club offers practice groups for a range of ages and skill levels.

- **Pups** - this is our entry level practice group. The youngest swimmers we are accepting are children born in the year 2021. These swimmers have a coach in the water with them at all times. They are not able to swim 25 meters (a lap pool length) by themselves
- **Pre-Development** - Swimmers who can independently swim 25 meters by themselves and are coached from the pool deck.
- **Development, Intermediate, Advanced and Masters** for more experienced swimmers

Practice schedules will vary through May, June, July and August, with expanded morning and dryland training opportunities during the summer months for older competitive groups. Half season registration is available for Development, Intermediate and Advanced swimmers from **May 1 to June 21, 2026**.

Families are encouraged to attend practices regularly and participate in swim meets throughout the season, though swim meets are optional.

Visitors/Parents/Caregivers Code of Conduct

Working together, we create a safe and supportive learning environment for students and a safe work environment for staff. Parents, caregivers and any other visitors to our schools support a safe environment by communicating and conducting themselves at the school and school activities respectfully.

<p>Communication</p> 	<ul style="list-style-type: none"> Use our process for addressing concerns – talk to the teacher first then, if follow up is required, contact school administration. Use respectful language whether in person, on the telephone, or through email. Respect staff time by accepting that they will respond to appropriate communication within 2-3 days outside of holidays, evenings and weekends. Clarify your child's version of events with school staff to fully understand and have perspective. Seek a peaceful and reasonable solution to all issues. Social media should not be used to voice complaints against the school, a staff member, parent/caregiver, or student. This is not a productive way to resolve an issue.
<p>Partnership</p> 	<ul style="list-style-type: none"> Try to ensure your child attends school and reaches out for support if needed. Work together with staff to resolve issues or concerns. Read and discuss the Student Code of Conduct with your child to help them understand and follow it.
<p>Conduct</p> 	<ul style="list-style-type: none"> When coming to school please be calm and do not swear, use inappropriate language, be threatening in your behaviour, and/or be verbally abusive.
<p>School Culture</p> 	<ul style="list-style-type: none"> Recognize that EVERY student is important to us. Treat all members of our school community with dignity regardless of "Indigenous identity, race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age" as protected by the BC Human Rights Code.
