MESSAGE FROM THE PRINCIPAL

Hadih Sinkut View family,

Hope this message finds you well. I was sorry to miss you last Tuesday during Talk About Learning Time. The flu hit me hard last Monday night and I spent Tuesday to Thursday last week in bed or on the couch. It was a rough one, but now I am back and feel waaay better!

This is a VERY busy week with Halloween celebrations and all. Tomorrow (Thursday) morning, Mrs. Wruth and Mr. Mueller's classes are going skating. In the afternoon, we will be pumpkin carving, and you are welcome to join us if you are able. It's an all hands on deck kind of activity where students work in pairs (younger-older) and you are welcome to help your child or someone else who needs/wants it! On Friday, we invite staff and students to dress up (please be mindful of the dress up code). We will have rotating activities 11 am – 12 pm, then our monthly assembly after lunch and the LEADS Whole School Halloween dance to end the day. There is an alternate active for those who do not want to go to the dance.

Thank you for being mindful of the snacks and lunches you pack for your children! We so appreciate the less sugar more wholesome foods effort 😊 Of course, we expect Friday to be a bit different, so we'll be a bit more lenient on this day. Moving into next week, please limit the amount of candy your child brings to school, preferably none at all!

I have been working on the Foundational Skills Assessment with the grade 4s, and they have really impressed me with their growth mindset and ability to move through hard things. Especially this week, I have noticed such a difference in trying harder to work through word problems and multi-step tasks. Way to go, grade 4s! Some even expressed how it's kind of fun to be challenged! Yes, it is!

The Dakelh word of the month is *Hunuyeh* which means pumpkin.

I wish you a beautiful and maybe a bit spooky Halloween weekend. Hope you get to have some fun together as a family! Thank you for all you do. We really appreciate all your support.

Take care,
Mia Moutray
Principal

Celebrating Halloween in Welcoming Schools

Halloween costumes should avoid cultural appropriation and that learner faces must always be visible to school staff (no masks). If a learner wants to wear clothing from a culture, it should be their own culture.
