Sinkut View Elementary

Phone: (250) 567-5133

We are grateful to live, work, and play on the unceded, ancestral territories of fourteen First Nations representing the Dakelh, Nedut'en and Wet'suwet'en peoples.

MESSAGE FROM THE PRINCIPAL

Hadi,

Last full week of November, only 33 more sleeps (30 for teachers)! This year seems to be flying by. Lots of activity is going on around the school. Students are showing what they know to teachers who are assessing for the Formal Learning Updates (formally known as report cards) that will be coming home on December 1st.

A big shout out to our athletes who represented our school so well at District Play Day last Thursday. The Grade 4s and 5s were at Northside showing off their Handball skills and sportsmanship! Our Grade 6s had huge smiles at NVSS for Volleyball where they played against a lot of Grade 7 players and held their own! Great job! We are proud of you all!

I am happy to announce that our new internet-based phone system was installed yesterday! We are busy playing with new features and figuring it all out, but we should be at least able to answer the phone when you call!

Finally, Mrs. Morris-Mullings will be on medical leave for the next week and possibly longer. A huge thanks to Mrs. Cyndi Lauze for helping us out during this time. Best wishes for a speedy recovery for Monique.

Snachailya!

~ Mr. Jason Kadonaga

Hot Lunch Orders

Going forward hot lunch ordering will be offered online unless a paper order form is requested. Thanks for helping us keep paper costs down! Please let Mrs. Wiens know if you need assistance setting up your MunchaLunch account. Hot lunch can be ordered monthly or weekly, cutoff dates are the Thursday before the following week.

Jan. 8 – First day back to school

Most of you are familiar with BC Children’s Hospital and the great work that they do to support children and families in our province. However, BC Children’s Hospital is much more than a physical resource, they’re also home to the Kelty Mental Health Resource Centre with a wide-ranging variety of information, resources, tips, etc. to help children and youth, as well as their parents/caregivers. Benjamin Franklin once stated, “An ounce of prevention is worth a pound of cure.”

Kelty Mental Health has a great section on Healthy Living that helps to build a healthy foundation. I’d encourage you to take some time to check it out. Some of it might already be a part of your family’s routine, but you’re likely to find some other helpful tips and reminders that could help in the long run, as you navigate life with your growing family.
